Hot Summer Nights fireworks on Friday, June 13th will be sponsored by Iguana Watersports; Beavers at the Dam and Rockwood Resort Motel. They will begin about 9:45 by the dam. The best vantage points will be at Beavers and the point which used to be the Edgewater Resort and now owned by Iguana. It will be open for viewing of the fireworks. Just something new added to Hot Summer Nights thanks to our great sponsors!

Thank You!

May 14th was the official "Kick-Off" for the new Young Professionals at the Lake Committee. What a success it was, we had 43 Young

Professionals come out for the luncheon and an eager 12 signed up before they left. We are still in the planning phases of this committee and are laying out the ground work for a successful organization. Please join us June 25th for the second YPL meeting at Willmore Lodge. At the June meeting we will be determining committees, lining up our first speaker and will also be selecting a topic for the Lake Area Chamber of Commerce "Lunch & Learn" series. We are excited for this group to grow and look forward to meeting many more Young Professionals. More information will be sent out within the upcoming weeks. If you are interested in learning more or becoming a member of the YPL please contact Morgan Crainshaw at mcrainshaw@lakeareachamber.com.

**The Lake Area Chamber of Commerce

Lake Area Chamber Directors Corner with Dave Crane

Economic Development at the Lake

Your Chamber is active in working with various organizations throughout the lake area in pursuing immediate business opportunities as well as assessing the future growth assets the lake has to offer both current and future business prospects. The Economic Development team is currently working collaboratively with other local chambers and with the Lake of the Ozarks Council of Local Governments Economic Development Advisory Committee on Regional Entrepreneurship opportunities. Each area of the lake has a unique offering and the entire area is anchored with an excellent health care system, an ever developing transportation system and of course the lake itself. With so many baby boomers looking to retire in the near future, the area has much to offer this emerging market.

The chamber is obviously bullish on the area and the opportunities to further develop into more of a year round market. We will continue to look for ways to encourage entrepreneurs to make investments in the lake and our communities.

Lake Regional Hosts Caregivers Group for Kids with Chronic Conditions

OSAGE BEACH, Mo. — Caregivers of children with ongoing health conditions are invited to participate in a new support group offered by Lake Regional Health System.

Caring for Kids with Chronic Conditions is open to all parents and guardians of children with special needs, such as autism, Down syndrome, epilepsy, food allergies, heart conditions and neuromuscular disorders and other conditions. The

group’s first meeting is 6 p.m. Thursday, June 5, in Lake Regional Hospital’s third floor conference rooms. Future meetings will be scheduled based on interest.

“Our goal is to provide education and connect participants to resources,” said Billye Bennett, R.N., Lake Regional education coordinator. “We understand that caring for a child with a chronic condition can be a challenging experience, and we want to provide a forum for caregivers to ask questions openly, and receive valuable support.”

For more information or to register, contact Bennett at (573)302-2737 or visit lakeregional.com/events.
