**Lake Ozark Live Kicks Off Summer with Music, Cars and Coffee**

Lake Ozark Live, the lake's newest entertainment complex, brings the organization Cars and Coffee to the historic Bagnell Dam Blvd. "Cars and Coffee is a worldwide organization of classic and collector car enthusiasts that meet once a week, usually on Saturday morning, to drink coffee, listen to music and show off their cars," said Joe Page, owner, Lake Ozark Live. Lake Ozark Live is Cars and Coffee's first Missouri location. The first Cars and Coffee event at Lake Ozark Live is Saturday, May 10 from 8 to 10 a.m. and every Saturday thereafter at the same time and location through September 6, 2014.

"This event is not just for people who bring their cars, but it's for everyone who appreciates classic and collector cars. It's a free family event in a casual setting—even the coffee is free," concluded Page.

In addition to Cars and Coffee, Lake Ozark Live features concerts, festivals, events, retail shops and an ice cream shop. Lake Ozark Live has three planned phases—artistic renderings can be found at [www.lakeozarklive.com](http://www.lakeozarklive.com) and join the conversation at [facebook.com/lakeozarklive](https://facebook.com/lakeozarklive).

Lake Ozark Live is located at 1508 Bagnell Dam Blvd in Lake Ozark, Missouri. For additional information, please contact John Shelby at 319-240-3074 or [orjwshelby@gmail.com](mailto:orjwshelby@gmail.com).
